NATURE'S BOUNTY

BEE POLLEN

500 mg

A Natural Source of Vitamins, Minerals and Amino Acids

DIETARY SUPPLEMENT
100 TABLETS

This dynamic supplement contains 500 mg of bee pollen gathered from a cornucopia of unsprayed flowers. Nutritional analysis of this exceptional ingredient shows that it contains a variety of vitamins and minerals, plus proteins, carbohydrates and free amino acids.

DIRECTIONS: For adults, take one (1) tablet one or two times daily, preferably with a meal. May be chewed, swallowed or dissolved in water.

Pregnant or lactating women should consult a doctor before using any product. **Consult doctor before use if you have, or have had,** asthma or allergies, especially to pollen, bees or bee products. If you have never taken bee products, start with a small serving (perhaps 1/4 tablet) per day and increase gradually in order to assess whether you are allergic. **Discontinue use and consult your doctor** if any adverse reactions occur, including allergic reactions such as rash or difficulty breathing. **NOT INTENDED FOR USE BY PERSONS UNDER THE AGE OF 18.**

NOTE: The new uniform appearance of this product is a result of a new, fine grain Bee Pollen, in the formulation. The Bee Pollen has been micronized into fine grains to facilitate maximum absorption and assimilation. Our Bee Pollen is 100% natural and may vary in color and flavor depending upon the season.
