Our Flaxseed Oil is an edible oil derived from the seeds of the Flax plant (*Linum usitatissimum*) and is one of the best sources of the omega-3 fatty acid alpha-linolenic acid available. Our Flaxseed Oil also provides the most concentrated vegetarian source of Omega-3 Fatty Acids found in nature.

Our Flaxseed Oil for softgels is dispensed and processed under a nitrogen blanket to safeguard it from oxygen exposure. In addition, the oil is dispensed under special yellow lights to protect against white light. Then our product is encased in an amber-colored gelatin shell to continue to protect the active elements from white light. This ensures that our Our Flaxseed Oil retains its integrity. Through a unique cold processing method, the flaxseeds are pressed at very cold temperatures and are processed without solvents.

DIRECTIONS: For adults, take one (1) softgel twice daily, preferably with a meal.
