Function**

There is no better time than right now to start thinking about promoting your body's immune system. Known as purple coneflower, Echinacea is native to North America and has been used by the Plains Indians for centuries. Echinacea is one of the world's leading herbs for immune system support.** Nature's Bounty's Echinacea is made from *Echinacea purpurea* – to ensure that you receive Mother Nature's best. So no matter what the season, make Echinacea your choice for optimal immune system support.**

DIRECTIONS: For adults, take one (1) capsule three to six times daily, preferably with meals. Capsules may be opened and prepared as a tea, or dispersed in any liquid desired.
