GINSENG

COMPLEX PLUS

**Royal Jelly
1000 mg**

HERBAL
SUPPLEMENT

50 CAPSULES

**Promotes
Physical
Performance****

World famous for its ability to support physical performance, Ginseng is gaining a reputation as an immune support herb.** Royal Jelly contains the natural factor, 10-Hydroxy-2 Decenoic Acid (10-HDA). Together they form a unique supplement designed for today's demanding lifestyles.

DIRECTIONS: For adults, take one (1) capsule daily, preferably with a meal.

Nature's Bounty's Guarantee: We use only the finest quality herbs and spices. Each is screened and finely milled for quick release.

Nature's Bounty's preservative-free gelatin capsules contain pure milled herb powder.

Not for use by pregnant or lactating women. Do not exceed recommended dosage. **Consult doctor before use if you have or have had** high blood pressure, diabetes, allergies, asthma, or are taking prescription medication (including birth control pills and anticoagulants (blood thinners) i.e. warfarin). **Discontinue use and consult your doctor if** any adverse reactions occur including gastrointestinal discomfort, rash, allergic reaction (including difficulty breathing) headache, heart palpitations, nervousness, sleeplessness, anxiety, depression, high blood pressure, breast pain, menstrual changes or menopausal bleeding. This product is not recommended for daily usage exceeding three (3) months. Supplementation may be resumed following a two (2) week break. **NOT INTENDED FOR USE BY PERSONS UNDER THE AGE OF 18.**
